Chicago Section IFT Announces Results of 2014 Leadership Election

Dear CSIFT Members,

I am pleased to announce the results of the 2015-2016 CSIFT Leadership Elections. All terms start on September 1st 2015.

Joy Dell'Aringa has been elected as the incoming Chair-Elect.

Jennifer Farrell has been elected as Secretary.

Jamie Colby has been re-elected as Treasurer.

It was a very close race for the four available positions on the Executive Committee. The following individuals were elected: Susan Abraham-Rivera, Dan Best, Mike Carson, and Laura Gray.

Congratulations to all of the candidates as we are looking forward to your contributions to the Chicago Section. There are many opportunities to volunteer in our committees and the next election is coming up in less than a year.

I also extend a thank you to those members who casted their votes to help shape the future of our Section. We have great leaders in place which will help the Chicago Section continue to be a top Section within IFT!

Greetings,

John Chambers

Immediate Past-Chair and Nominating Committee Chair 2014-2015
