

## Proven Interview Success Tactics for CSIFT Professionals

### 5 Easiest Ways to Include Proof and Evidence that You're Their Best Candidate

Are you a CSIFT Professional who wants to win your next job or promotion, discover exactly what to say and increase your interview confidence, even if it's been a long time since you needed to interview for a position?

Given these uncertain times, if you want to be ready to win the next job offer you really want, then this webinar by Interview Success Expert, Terry Kozlowski, will reveal how you can easily begin to prepare yourself for that perfect opportunity.

In fact, here's just a sample of the questions Terry Kozlowski will answer for you in this special webinar just for CSIFT members:

- What's the fastest way to grab (and keep) your interviewer's attention?
- How can you do what bad parents do -- to instead get great results in your interview?
- What's critical to research in advance of your interview? (And no, it's not the company or interviewer or even the job description)
- Which technique from the movies can you use to subtly reinforce their keen interest in you?
- Where to look for your hidden treasures that will make your answers even more dramatic and memorable?
- ... and much, MUCH More!

Terry Kozlowski's credentials to assist you include:
