

PROFESSIONAL DEVELOPMENT

Career Guidance and Continuing Education

Our second Professional Development event for the calendar year was held on Dec 11, 2014 at the Lake Forest School of Management. It was another huge success. We honed in on a soft-skill “Innovation for Everyday Problem Solving”.

The room was once again filled to capacity. Attendees were treated to a dynamic, high-energy, interactive 3 hour session, learning new ways to manage the innovation process. We learnt creative ways to help our companies increase revenue, reduce costs and increase the bottom line. It was fabulous!

Our speaker, Corrine Miller, did a phenomenal job keeping us all on the edge of our seats in a very engaging, hands-on and interactive session. We all had a great time! We would also like to thank all our attendees for helping to make the event a huge success.

Below are some pictures of the event for you to enjoy:

Technical Sessions

After a fantastic educational session in October, plans are underway for another great event in April. The team is currently busy planning the event. It will have a Beverage/R&D theme and will be held at Imbibe's brand new, state-of-the-art beverage innovation center in Niles, IL. Speakers will include representation from Diageo and Imbibe. Stay tuned for details. In the meantime, save the date on your calendars for this exciting event - April 30!
