

## Thanks to the Suppliers' Night Day of Show Volunteers!

This year's record-breaking attendance for both exhibiting companies (492!) and attendees (over 2,500 and still counting!), and our third annual Innovation NOW! Forum, created some opportunities for volunteers to both help in the registration area as well as at the Forum and in the CSIFT booth in the exhibit hall.

Without these dedicated volunteers, the show would not have been able to flow as smoothly as it did. We want to sincerely thank each of our volunteers and express our appreciation for your time.

We especially want to thank Mike Gough from Organic Spice & Vegetable Co/Spec Ingredients for volunteering to manage the volunteers! Thanks Mike for a job well done!
