The Hospitality Committee also organizes the student activities for Student Night. So, mark your calendars to come out to **Student Night** on **April 11, 2011**. This is a great night for the students to network with professionals and get a taste of what is to come in their food industry careers. If you are interested in volunteering for this event or be a volunteer on the Committee, please contact the Hospitality Committee Chair, John Chambers at 224-523-6367 or jchambers@dmhingredients.com. This dinner meeting session will be on diabetes and nutrition.
