8:45-9:45 AM: Start your day at 8:45 AM by learning from the experts at our opening seminar, "Navigating the Job Market in the Digital Age."

10:00-11:30 AM: "The Preventive Controls Showcase" panel will offer a candid discussion on FSMA's Final Rules on Preventive Controls, offering advice to the audience from robust regulatory and experiential perspectives. A Moderator-led Question and Answer format will offer an insightful view on Environmental Monitoring Program design, implementation, and corrective action response.

11:30-12:30 PM: Back by popular demand is Dr. A. Elizabeth Sloan, Contributing Editor of Food Technology Magazine, and CEO of Sloan Trends. Dr. Sloan will present the keynote entitled, "New Consumer Drivers, Demand, and Directions for Growth"

10:00 AM-5:00 PM: Schedule an Appointment with a Chicago Area Recruiter.

CELEBRATING 75 YEARS

A graphic of the Chicago skyline in shades of gray is positioned behind a green banner that contains the text 'CELEBRATING 75 YEARS' in white, bold, sans-serif capital letters.

November 11, 2015

Dear Attendees, Exhibitors and Guests,

On behalf of all of us here at your Chicago Section IFT may I welcome you to Chicago and the 2015 Chicago Section IFT Suppliers' Night!

We are pleased to be celebrating our 53rd Suppliers' Night since the inception of the Chicago Section. From just 11 exhibitors at our first event to 540 exhibitors and 3,000 attendees tonight, the CSIFT Suppliers' Night has grown to become a "must do" event on the calendar of the U.S. food industry. We are pleased you could join us here today.

This year the CSIFT Career Center is pleased to introduce the "**Navigating the Job Market in the Digital Age**" forum - seminar with leading HR experts here to help CSIFT members achieving their career aspirations and utilize digital mediums to the fullest.

Join our panel of distinguished industry experts hosting "**The Preventative Controls Showcase**" for a candid discussion on FSMA's Final Rules on Preventive Controls. This moderator-led Q&A session will offer advice from a regulatory and experiential perspective.

Our keynote speaker this year will be Dr. A. Elizabeth Sloan, Contributing Editor of "Food Technology Magazine" and CEO of Sloan Trends. Dr. Sloan will present "**New Consumer Drivers, Demand, and Directions for Growth.**"

The Expo will begin at noon and run through 5:30 PM. Once again we have 540 exhibitors here this evening offering the technologist the latest in leading food ingredients, processing technologies, laboratory equipment and other services.

Suppliers' Night will conclude with our Social Hour from 5:30-6:30 PM. Please take a moment to gather with us in the registration area to socialize with peers, enjoy the refreshments and bring Suppliers' Night to a close.

Now, Go Enjoy The Show!

Sincerely,
James N. Anderson

Emulsifiers, stabilizers and know-how put to work

Palsgaard invented the world's first commercial emulsifier a century ago – and we haven't stopped inventing since.

Using our R&D labs and application centers around the world, we not only invent new emulsifiers or emulsifier/stabilizer solutions, we also help food manufacturers make the most of them in their products within:

- Bakery
- Confectionery
- Dairy
- Ice cream
- Margarine
- Mayonnaise & dressings

Palsgaard®
