

Join in the Nation's Largest Regional Food Technology Exhibition!

Over 500 Exhibitors & 3000 Attendees! Wednesday, November 11, 2015

Donald E. Stephens Convention Center • Rosemont, Illinois (Chicago)

Navigating the Job Market in the Digital Age Start your day at 8:45 am by learning from the experts at our opening seminar and learn from panelists Julie Kedzior, Director of Human Resources at Prinova USA, a representative from LinkedIn, a Career Coach, Contract Hiring Specialists Aerotek Scientific & Contract and Direct Hiring Specialists Lab Support.

Schedule interviews with Chicago area recruiters between 10 AM and 5 PM. See website to register.

The Preventive Controls Showcase The panel will offer a candid discussion on FSMA's Final Rules on Preventive Controls, offering advice to the audience from robust regulatory and experiential perspectives. A Moderator-led Question and Answer format will offer an insightful view on Environmental Monitoring Program design, implementation, and corrective action response.

Back By Popular Demand Dr. A. Elizabeth Sloan, Contributing Editor of Food Technology Magazine, and CEO of Sloan Trends. Dr. Sloan will present the keynote entitled, "New Consumer Drivers, Demand, and Directions for Growth"
