Innovation You Can Taste

At **Fernando's Food Partners**, we design **custom ingredient solutions** that help food and beverage manufacturers meet today's biggest challenges: **lower sugar, fewer calories, better flavor.**

Our signature ingredient, **Titan Sweet**, is a flavor enhancer and modifier that lets you create sugar-free and reduced-sugar formulations without compromising taste.

Winner of Ingredient Idol

Beverage Category, SupplySide West 2024

Whether you're developing a new product or reformulating an existing line, our R&D team can help you achieve:

- ✓ Reduced sugar, carbs, calories, and sodium
- ✓ Improved flavor balance and mouthfeel
- ✓ Seamless integration into your current formulations

Innovation You Can Taste

At **Fernando's Food Partners**, we design **custom ingredient solutions** that help food and beverage manufacturers meet today's biggest challenges: **lower sugar, fewer calories, better flavor.**

Our signature ingredient, **Titan Sweet**, is a flavor enhancer and modifier that lets you create sugar-free and reduced-sugar formulations without compromising taste.

Winner of Ingredient Idol

Beverage Category, SupplySide West 2024

Whether you're developing a new product or reformulating an existing line, our R&D team can help you achieve:

- ✓ Reduced sugar, carbs, calories, and sodium
- ✓ Improved flavor balance and mouthfeel
- ✓ Seamless integration into your current formulations
