February 2023 Letter from the Chair

Dear CSIFT Community,

I hope this finds you all well. It is difficult to believe we are more than halfway through February already!

Our February Pre-Valentine's Day Event was a great success! We enjoyed a delicious wine and cheese pairing at Cooper's Hawk, as well as a virtual presentation by Torey Arvik on the flavors and aromas in wine. We had an excellent turnout and it was wonderful to network with everyone.

We hope to see all of you at our next event, a trivia night!! This is a joint event with the Chicagoland Food Science Foundation, and \$10 of every registration will be donated to support scholarships. Trivia will be held at Granite City in Schaumburg. Come test out your food science skills! Gather a team or sign up on your own [here](#).

Sincerely,

Helen Bengtson
