

Stephanie Mattucci

Global Food Science Analyst

(Long Bio)

Based in Chicago, Stephanie joined Mintel in 2013. As a Global Food Science Analyst, she is enthusiastic to share her food science insights and offer a technical perspective on various topics related to the food industry.

Prior to Mintel, Stephanie worked as a Food Scientist in R&D for an ingredients company in Chicago, where she specialized in seasoning product development and provided technical expertise to customers in the food industry. Stephanie was responsible for developing seasoning blends for a range of applications with a primary focus in poultry. She worked closely with suppliers, processors and other customers to ensure product success, including several successful national launches. Stephanie has a bachelor's degree in Food Science from the University of Wisconsin-Madison.
