New Professionals November Event Recap

The New Professionals held their November event at Revolution Brewery on the Northwest side of Chicago. We had our own private area in the Brewery Taproom to network and enjoy pizza. This was followed by a private tour of the brewery which included the history of the company, the brewing and packing process, and a beer tasting. The tour guide was happy to answer all questions from our large group of over 35 New Professionals.

The New Professionals group encourages anyone who has been in the industry 10 years or less to join in on our networking fun. Please watch the website for upcoming event dates and register for these events ahead of time at the Chicago IFT Website.

Your New Professional Committee

A great turnout of over 35 New Professionals enjoying the November Revolution Brewery Tour.
