New Professionals

The New Professionals held their kickoff event on September 16th at Crosstown Pub & Grill in Naperville. This was the second event held in Naperville and we were excited to see a great turnout with both new and familiar faces. We had our own private space which made it easy to network and get to know one another. Delicious appetizers were provided, as well!

On Thursday, October 29th, the New Professionals will gather at Revolution Brewery for a private tour and beer tasting. The tour will include the history of the Chicago Brewery, the brewing process, packaging methods, and the bourbon barrel-aging technique.

The New Professionals group encourages anyone who has been in the industry 10 years or less to join in on our networking fun. Please make note of the following event dates in your schedules and register for these events ahead of time at the Chicago IFT Website.
