

## New Professionals Update

The CSIFT New Professionals held their February event at Pinstripes in Oak Brook. We had our own private area alongside three Bocce Ball courts to play games and network. We were also able to enjoy some delicious appetizers and drinks. We had over 20 New Professionals join us for this fun event.

On Tuesday, March 15<sup>th</sup>, the New Professionals gathered at the Northern Illinois Food Bank to pack nutritious meals for those in need. We had a great turnout of NPs volunteer their time for a wonderful cause.
