March Dinner Meeting / Student Night

The Hospitality Committee will be hosting Student Night at The Carlisle, Downers Grove, on March 9th, inviting students from the University of Illinois, The Illinois Institute of Technology, Dominican University, and Purdue University interested in working in the food science and technology field. Due to resounding positive feedback from the schools we will once again be holding a speed networking session. The speed networking will 3:00-5:00 PM. Students in attendance are encouraged to meet, speak, and interact with some of our Section members on a more personal and one on one basis. **We will need your help to make this event a success! You can help a student in 1 and/or 2 of the following ways:**

- 1. Be a part of the Speed Networking Team:** you will be paired with a few students at a time for 10-minute intervals and will answer their questions. We are in need of volunteers from all the segments of the food industry from R & D, Quality Control, Technical Sales, and any other sector you may work with. **If you are interested in participating in Speed Networking, please contact Susan Schaad or the Chicago Section Business Office @ 630-916-4960. We are asking volunteers to arrive at the Carlisle at 2:30 PM. [Learn more](#)**
- 2. Student Meal Sponsor:** purchase a dinner for a student so that he or she does not have to incur this expense. The cost of the student meal is **\$50.00**. If you are interested in sponsoring a student's meal you can do it as part of your dinner registration or you can sponsor without purchasing a dinner. [Sponsor a Student](#)

Your help is greatly appreciated!!! Thank you for helping make this a special evening for the students! - Hospitality Committee
