CSIFT New Professionals – March Update

February:

Prinova's sponsorship went very well at the Whirlyball event this month. It provided them access to intimate networking with potential customers as well as recruiting opportunity for future employees. We were happy to have their support at this very well attended event and we look forward to having them or other companies provide sponsorship in the near future.

March:

This month we have a **Beer and Bacon Tasting** in the city on March 21st at Paddy Long's in Lincoln Park. 1028 W. Diversey Parkway, Chicago, IL 60614, (773) 290-6988. This is the first event that will cost money to attend, but it is only \$15. We got a special deal with the venue for a group rate that typically costs \$36/person. Registration Required!

April:

Greater Chicago Food Depository volunteer event. Registration required for this as well. Open to the first 30 registrants. April 10th 6:00pm-9:00pm

May:

We are organizing a bowling event for May 22nd as our final event prior to our summer break. We plan to invite Students from U of I, Dominican, and IIT that will be out of school for summer to come attend and learn what New Professionals is all about. This would be another great event for recruiters or a company looking to hire entry level employees to sponsor.

Best Regards,
Mike Carson
