## KNOW YOUR OFFICERS...

### John Chambers

#### *Biographical Sketch*

John Chambers is currently an Account Manager for DMH Ingredients. He has been a professional member of the CSIFT for seven years. John has recently been elected to his second term as an Officer in the CSIFT as Secretary.

Along with being an Officer, John has served as the Hospitality Chairman for the last two years and has helped coordinate Student Night for the last three years. He has enjoyed working with CSIFT members that volunteer in the Student Night activities such as the speed networking and resume building sessions. It has been a great experience for him being able to work with the schools involved at Student Night, as well as companies like Sara Lee who have been generous enough to hold tours at their facilities for the students. John and the Hospitality Committee have embraced the commitment that it takes to help the students prepare for the next stage in their professional career.

John has also volunteered during CSIFT Suppliers Night as well as with the Annual Golf Outing. He has also been very involved in networking with the Young Professionals and their meetings. In addition to his volunteering with the CSIFT John is on the Board of a local Chicago charity called Food For Friends (<http://www.foodforfriends-il.org/>). They focus on feeding the less fortunate in the Chicago area.
