The Strietelmeier Scholarship Program was established in memory of David M. Strietelmeier, who was lifelong and active member of IFT where he served on several Chicago Section and National committees. David's goal was to assist professional members to obtain networking and educational opportunities that would help them achieve gainful employment. For this reason, the Chicago Section IFT has chosen to honor the memory of David Strietelmeier by bestowing this annual award to members of the Chicago Section IFT that are in need of career assistance.
