Thanks to the Suppliers' Night 2011 Sponsors & Volunteers!

November 17, 2011

Dear Chicago Section IFT Members, Sponsors, Suppliers and Volunteers,

First let me extend the heartfelt thanks of all of us here at Chicago Section to everyone who contributed to making this year's Suppliers' Night a record breaking moment in the history of "the First Section!"

A new exhibitor record was set at 515 booths!

A new attendance record of 3,000+ was also set!

An exceptional performance for which I must thank many.

Thanks to our Sponsors

Chicago Section IFT would like to thank each of the sponsors of Suppliers' Night. Without your support such a great event would not have been possible.

And a Special Thanks to our 36 Exhibitor Guide Sponsors!

Thanks to our Volunteers

This year's record-breaking attendance for both exhibiting companies (515!) and attendees (over 3000 and still counting!), and our fourth annual Innovation NOW! Forum, created some opportunities for volunteers to both help in the registration area as well as at the Forum and in the CSIFT Membership Table.

Without these dedicated volunteers, the show would not have been able to flow as smoothly as it did. We want to sincerely thank each of our volunteers and express our appreciation for your time.

We especially want to thank Mike Gough from Organic Spice & Syrup Group and Mike O'Hare from Dawson Sales for volunteering to manage the volunteers! Thanks Mike(s) for a job well done!
