**Purpose for Running:** It is an honor to be nominated for the position of Chair-Elect of the Chicago Section IFT. I have been a member of IFT for 24 years when my involvement began as an undergraduate student majoring in Food Science. My volunteer activities to IFT have been primarily through the Student Association and the Chicago Section. These volunteer experiences include many different roles which would help me to further build upon the legacy of the Chicago Section. My primary goals as Chair-Elect would be to continue build upon the strong educational opportunities provided at the Dinner meetings, continue to enhance the overall sustainability of the Section and to support the food science academic institutions within the Section.

Battle Creek Suppliers Night Presenter 2011-2012

Anaheim IFT Suppliers Night Presenter 2012

National IFT Annual Show Presenter 2011-2012

**Purpose for Running:** My purpose for running for the Executive Committee is to gain membership on this council and assist in the growth and development of the CSIFT and its members. I believe I bring a unique skill set and point of view coming from a Sales background instead of R&D or Technical and would add value to the CSIFT just as I add value to my own company. The Chicago section is the largest and most prestigious section of the IFT, and I view this as an excellent opportunity to work with one of the best and most involved organizations in the Food Industry.

**Lisa Kringas**

**Occupation:** Midwest Sales & Marketing Manager at Marubeni Specialty Chemicals, Inc.

**Education:** B.S. Food Science Northern Illinois University

**Current CSIFT/IFT Activities:** Hospitality Committee, helped develop the Curriculum of the Certified Food Scientist Credential Course at IFT, volunteer at the 2012 CSIFT Golf Outing, soon to assist committee chair for technical breakfast seminars

**Purpose for Running:** I was an IFT member about 20 years ago when I worked in QA at Nestlé but left to raise my family – I returned to the food industry and sold vegetable oils and preservatives to the baking industry. For the last 6 years I sold industrial chemicals, and recently returned to the food industry at Marubeni.

I want to get the most out of my membership by participating in the meetings with the top leaders in our industry. I want to work alongside other food professionals and bring education and exciting innovations to the membership. I want to align myself with this organization because I see value in the meetings and I feel I have a lot to offer to the association.

**Purpose for Running:** I have been a member of IFT for 24 years. After moving to the Chicago Area in 1990 I joined the Section and started becoming active on committees. Through that involvement, I have taken on a variety of roles on numerous committees. I was honored to serve as the Chair of the Section in 2002. That experience broadened my knowledge of how the section works. I believe that my experiences with both the Chicago Section and National IFT have prepared me to be a member of the Executive Committee and help elevate the Chicago Section to new levels. Serving on the Board of Directors of IFT I can keep the section informed of activities/events. I have enjoyed my involvement in the Chicago Section IFT and would be honored to continue to serve you on the Executive Committee.
