CSIFT LEADERSHIP TRAINING ANNOUNCED

The next CSIFT Leadership Training meeting is scheduled for May 23, 2011. All Officers and Committee Chairs for 2010-2011 and 2011-2012 are invited to attend. This training session will be after the Tanner Lecture, the last scheduled dinner meeting of our CSIFT Program Committee meetings. This will allow time for our 2011-2012 CSIFT Leaders to participate prior to the Annual IFT AMFE. Barbara Byrd Keenan, IFT, has this date available and she is (again this year) one of our key speakers for our training. Mark your calendars now! If you want to attend, we still have openings for Committee Chairs for 2011-2012.
