MEMBER THANK YOU – A Special thanks to Judie Dzeizak!

Last summer the CSIFT Officers and the Executive Committee were informed that we needed to upgrade our e-commerce system. This important upgrade was needed to improve online membership registration for events. This was done successfully.

After the changeover took place, it was discovered that the previous contract was not terminated correctly. There were significant charges to terminate the original contract. Our CSIFT Member, Ms. Judie D. Dziezak, Esq. with Dziezak Law Firm came to the rescue! Judie, at no charge to the Section, reviewed and verified that the letter drafted by the CSIFT officers and Business Office revising the termination was legally correct. Judie's support and guidance helped reduce the fees from \$6,700.00 to a mere \$250.00. Please thank Judy for volunteering her expertise to the Section.

During the February CSIFT dinner, Judy was given a dozen white roses and a gift certificate to Rosebud Restaurants (well, it was the day after Valentine's!)
