In the House...Matt Hutchinson!!!

There will be changes in the CSIFT House Committee. After two years as the House committee Chair, I am stepping down due to extensive business travel. I really have enjoyed working with all of the House Committee members. Not only are they all dedicated ...but they are creative and collaborative. It has been a great pleasure to work with Matt Hutchinson, Jeff Jendryk, Alberto Lopez, George Peklo, Krista Runhke, and Manoj Shah.

I would like to introduce the new House Committee Chair - Matt Hutchinson. Matt is no stranger to the CSIFT EXCOM and has been a member of the House Committee. Matt has culinary training and an eye for detail. He will be a great leader to take us to new venues and maybe go back to a couple of great venues that you have enjoyed before. Remember, we are all open to your venue and menu ideas! Please contact Matt Hutchinson: MHutchinson@mortonsalt.com

Thank you for allowing me to have so much fun planning the monthly dinner meeting events with such a great group of CSIFT House Committee Members. I am so passionate about food and the House Committee that I will stay on as a committee member.

Best wishes to Matt!

Bon Appetit!
