

July 13-16, 2013  
McCormick Place South  
Chicago, Illinois USA

Chicago will be the location of the 2013 IFT Conference in July of next year. Although it seems far away, it will be here before you know it. The local Section is involved in several activities to help plan the Conference.

The Host Section Activities Committee will be Chaired by Pat Sullivan and Linda Perucca, but we don't do it alone. There are several sub-committees involved as well. Many of the positions are filled, but we are still looking for a Co-Chair for "Family Activities" and "Technical Tours." We are also seeking companies that are willing to open their doors to a tour during the Conference.

If you are interested in Chairing one of the committees or hosting a technical tour during the conference, contact Pat Sullivan at (630) 927-9904 [sullivan277@comcast.net](mailto:sullivan277@comcast.net) or Linda Perucca at 847-646-3821 [lperucca@mdlz.com](mailto:lperucca@mdlz.com) to learn more.
