2012 Golf Outing a Great Success!

The Chicago Section IFT's 5th Annual Golf Outing took place on Tuesday, August 21st. It was spectacular and everyone enjoyed golfing at Cog Hill - filling two golf courses. Mike Hosler and John Fenstermacher, the golf outing chairs, did a great job organizing the event and the volunteers.

There were 264 golfers and approximately \$10,000.00 was raised for scholarships.

Thanks to all the volunteers and the sponsors who helped to support the costs of the outing as well as the money raised for scholarships.

See the Golf Outing Program for a listing of the volunteers and this year's sponsors.

And a Special Thanks to our
Golf Outing Committee & our
Volunteers!
