Volunteers Needed!

Suppliers' Night is a great event – one that brings our members together annually to learn about the latest in food technology.

In order to make it successful we need volunteers at the ***CSIFT Table*** in the registration area to share with attendees the benefits of CSIFT membership.

We also need volunteers to help ***hand out name badges*** at the Registration Area.

And, if you plan on attending the ***Innovation NOW! Forum*** we also need assistance in each speaker room and the surrounding area to help people with directions and finding their way.

If you can volunteer, please contact Mike O'Hare at
mikeohare@dawsonsales.com
