CSIFT Student Night a Success!

Under the guidance of the CSIFT Hospitality Committee, this year's Student Night was a grand success. The Committee worked hard to both plan and attend the event which was moved from March to October.

Thanks to the Hospitality Committee for their efforts: Ann Johnson, Marie Loewen, Travis Miller, Porter Myrick, Laura Saran, and Committee Chair Keith Schafer.

In addition to the Hospitality Committee CSIFT had over 35 volunteers who assisted with the networking and resume building activities. The students were fortunate to have 1 volunteer for every 2 students! The Hospitality Committee thanks all of these volunteers!

Approximately 60 students from Illinois Institute of Technology, Dominican University, the University of Illinois, and Purdue attended the event that began with a tour, presentations, and lunch at McDonald's Hamburger University.

Thanks to our Sponsors

CSIFT was thankful to Pepsico's generous donation of \$3,000.00 to support Student Night. In addition, the following individuals donated student dinners:

Pam Coleman, Silliker
